

(Christine and Phantom's House: 274th floor, the Kitchen)

Christine- My oh my! You girls DID buy a lot of food for the feast! Just how many people are coming?

Annabelle- Um, 16 or so?

Christine- (Sigh) Well, at least we're almost done, as we only have fifteen more minutes until people start arriving. So help me get this giant pumpkin pie in the oven!

Maya, Annabelle, and Quinn- OK!

(Fifteen minutes are up, and Christine, Annabelle, and Maya are setting the table)

Christine- Oh, dear, Maya, can you grab Raoul's booster seat? It's in the pantry.

Maya- Surely! (Goes and looks for it) Uh, it's not there.

Christine- It must be! Quinn, have you seen Raoul's booster seat? Quinn?

Maya- Oh, dear...

Quinn- (Standing on booster seat, holding a megaphone) IT'S 2:00! THOSE LAZY GUESTS ARE 23 SECOND LATE!!! HOW DARE THEY?!

Maya- Quinn, calm yourself! The guests will arrive shortly.

Quinn- But I don't wanna wait...WOAH!

(The door opens. In comes Meg and Madame Giry. The door opens so suddenly it knocks Quinn off.)

Quinn- Pretty stars!

Christine- Oh dear! Quinn, are you all right?

Quinn- Ugh...

Annabelle- (Pours cold water over Quinn)

Quinn- COLD!!!

(Everyone has sat down to dinner. Phantom is at one head of the table, Christine at the other. Raoul isn't in his booster seat. Besides those three, there are Meg, Madame Giry, Annabelle, Quinn, Maya, Harry, Viktor, and several others)

Phantom- Before we begin, how about we all say what we are thankful for! I'll begin; I'm thankful that Christine dumped Raoul and married me.

Christine- I'm thankful that Maya, Annabelle, and Quinn helped me cook dinner.

Annabelle- I'm thankful that Phantom is letting me do a special "musical performance" with a few others...heh heh...

Phantom- I never said that!

Quinn- I'm thankful that we invited Vikky!

Viktor- I'm thankful that I'm not sitting next to her...(Points to Quinn)...or her.
(Points to Annabelle)

Annabelle and Quinn- What?

Maya- I'm thankful that we survived so many other things from our previous skits and adventures!

Meg- I'm thankful that people adore me. I can't help it that I'm popular.

Madame Giry- I'm thankful that people invented swingsets.

Violet- Ding dong, Olaf is dead, Count Olaf is dead!

Klaus- Ditto.

Sunny- Gskljri! (Ditto ditto)

Random Durmstrang guy- I'm thankful that---

Phantom- Hey, we never invited you!

Durmstrang guy- Can I stay? Puh-LEASE?

Phantom- Whatevs.

Durmstrang guy- Yahoo!

Phantom- Raoul, your turn.

Raoul- I don't want to.

Phantom- Raoul, you're being difficult.

Raoul- I'm not thankful for anything!

Phantom- You're thankful that I'm not strangling you this very moment!

Raoul- No, not thankful for that, either.

Durmstrang Guy- Barney?

Raoul- Nope!

Christine- Barbies and Bratz?

Raoul- No!

Annabelle- That rock and roll is here to stay?

Phantom- Annabelle, not now.

Raoul- No no no!!!

Quinn- I give up! What about Candyland?

Raoul- I can't go to Candyland, so, no.

Annabelle- That you have a passion for fashion?

Phantom- Cookies?

Durmstrang guy- Me?

Raoul- What he said!

Dumrstrang- HA! (Laughs at Phantom) He likes me better than you!

Phantom- Your loss.

Narrator- And then the feast went well and uneventful besides an escaping frog, Raoul dancing to "Let's Get it Started" on the table, Bob, Barbara, and Steve almost being part of dinner, and Annabelle suggesting that they all play 7 Minutes in Heaven.
