By Annabelle T.

Phantom- (Twitch) Too happy! Nobody is this happy!

Raoul- I want a balloon!

Christine- Hmm...(Points at hot air balloon) Say, Raoul, there's a balloon.

Raoul- YAY!!! (Heads up in balloon which Phantom cuts line to)

Phantom- Classic.

Christine- Say, isn't there something that goes on at about midnight?

Phantom- Erm, I don't know. Let's see.

Christine- Any min---

Raoul- AHHH! (Fireworks explosion)

Phantom- Oh, I guess I didn't read the vacation packet carefully enough. Christine- I guess you didn't. Oh, well.

(They sit together on a grassy hill watching the fireworks and Raoul going insane.)

Phantom- I guess too happy is all right.
