

That's My Name, Don't Veer It Out!

By Maya D.

(Everyone is at the beach)

Phantom- Wow. This is so amazing.

Raoul- I know, right? Barbie just did a handstand!

Christine- Huhh...(Viktor is ACTUALLY having some fun playing with Harry, Ron, Klaus, Annabelle, and Quinn in the water. Maya is reading a book watching from the sidelines)

Raoul- I wonder what'll happen if I tie some rocks onto Barbie's legs and throw her out into the deep water for a swim...

Phantom- Anyone for a boat ride?

Christine- Oh, yes!

Meg- (Arrives) Oh, hi Christine, Phantom...how's Raoul?

Phantom- Oh, he's...(Glances at Raoul playing ring around the rosy with Barney)...doing well.

Raoul- Oh, yes! I'm engaged to my true love...and he's rich, too!

Phantom- If you mean yourself...

Raoul- Well, it's okay to share husbands and wives...

Meg- Husbands AND wives...?

Raoul- Yes, well you see, I'm engaged to Barney, and he's engaged to Barbie, too. So that makes me Barbie's wife, and Barney's wife.

Meg- Umm...

Phantom- (Changing embarrassing subject) Hey, Meg, wanna come on the boat ride?

Meg- Umm...is he going?

Phantom- He doesn't have too...

Christine- You have that look in your eye...

Phantom- I do? I wasn't aware...(Hops in large boat) All aboard!

Raoul- (Starts to hop in with Barbie and Barney)

Phantom- Oh, nonono. Toys stay out.

Raoul- But you let Christine in! These are my husbands and wives!

Phantom- Don't argue...Remember what happened to Ken...?

Raoul- YES SIR! Would you let me in if I told you a secret?

Phantom- Fine.

Raoul- Barbie broke up with Ken!

Phantom- Ohhhkay...

Raoul- Nooow can you let me in?

Phantom- Yes!

Raoul- Thank-YOU!

Phantom- NOT! (Slams door on Raoul)

Raoul- Then how are YOU gonna get in?

Phantom- It's called "hopping".

Raoul- Ohh...(Hops over and falls into his seat)

Phantom- Everybody in their SEATBELTS? (Doesn't wait for response)
GREAT! (Eyes Raoul)

Raoul- (Ties leg to edge of boat) Got it!

Phantom- (Presses overdrive) Everyone buckle uppp!

Raoul- (Flies off ship) AHHH! BARBIE!!!

Phantom- Did I hear something?

Meg- You are a murderer!

Phantom- No, I'm not. He's alive, actually...(He glances back to see Raoul being dragged in the water)...for a while.

Christine- Get him OUT of there right now!

Phantom- Why? It's my favorite mental picture of him...

Christine- HUHHH! You sometimes...

Phantom- I know, Raoul!

Christine- I meant you!

Phantom- Yeah, Raoul! HEAR THAT? Hey, where'd Annabelle go?

Christine- Where'd Viktor go?

Quinn & Maya- UH-OH! (Dash off)

(At shack. Empty, except for Quinn and Maya searching for Viktor and Annabelle)

Maya- Oh, God, I hope that we don't find them both here...

Quinn- I sure hope not...I'd be afraid as to what would go on...(Smash. We hear a loud, manly scream, followed by a shrill voice. You guessed it.)

Quinn- I won't say I told ya so.

Annabelle's voice- Viktor! Come back here! Get back here, Mister!

Viktor's voice- (Panicked) No...get away! Get away! Sven! Vere ahh you ven I need you???

Annabelle- Too bad, he's not here...get back in there, Mister!

Maya and Quinn- Uh OH! (Runs into hallway to bedroom door. Hears Annabelle)

Maya- Blindfolds. (Gives Quinn bandana, which she ties around her head)

Quinn- Earplugs...

Maya- Protective gloves...(Opens door. Viktor and Annabelle both going mad)

Both- AHHH!

Quinn and Maya- AHHH!

Phantom- What the---AHHH!!!

Annabelle- But...but...but!

Phantom- I don't want to ruin you two, but...

Viktor- PLEASE DO!

Phantom- So you get to go on a cruise together!

Viktor- NOOO!!!

Annabelle- YEESSS! Oh, I'll pack, Vik-Vik!

Viktor- (Faints. Wakes up and lifts head) THAT'S MY NAME, DON'T
VEAR IT OUT! (Passes out)
