

The Wedding

By Maya D.

Phantom- Wow. I guess my designing skills are pretty good! I thought I'd have to remake the dress seven times before it fit you right!

Maya- Yeah, it fits really well. I like the veil, too.

(We see Annabelle and Viktor backstage also, before the wedding)

Annabelle- Okay, now remember. Ann-a-belle. Now you try.

Viktor- Anne-ee-beele, no?

Annabelle- No. Ann-a-belle. Ann-a-belle.

Viktor- Anne-ee-beeele. Anne-ee-beele. Anneebeele! (Beams)

Annabelle- Not really, but close enough.

(Clock ticks.)

Phantom and Maya- Rock paper scissors SHOOT!

Phantom- Victory again. Best 5 out of 7!

Maya- I know, let's practice "Music of the Night"! After all, we are singing it at the wedding.

Phantom- Yeah! (They sing it)

(We see Annabelle and Viktor again)

Viktor- Anneebeele, you like play checkers?

Annabelle- Yeah. Want to play?

Viktor- Yeah.

(Finally, we see the wedding)

Phantom and Maya- "And listen to the music of the night..."

(Raoul and Christine are in the audience)

Raoul- (With headphones on) Christine, pass the chips.

Christine- Raoul, don't be rude, this is their special moment! Phantom wasn't rude at our marriage in the dungeons!

Raoul- (To himself) Nope, he just almost killed me. Now pass the chips!

(Meanwhile...)

Phantom and Viktor- I do.

Annabelle and Maya- Me too!

Priest- I now pronounce you husbands and wives!!!

(Crowd cheers)
